

Take My Hand My Brother

Take my hand, My Brother, as it is strong—and I will lift you up as we age together.

Hear my words, My Brother, they will give you hope as our memories fade.

Be not afraid. The strength and wisdom of Brothers will light our path and all the darkness of mind and body will disappear.

Brothers for life sharing the joys of living and the sadness of death—as we part from one another for only the blink of an eye.

Remember, My Brother, “Eye has not seen, ear has not heard what God has prepared for those that love Him.”

Take my hand, My Brother.

It is strong.
