

Prayer Leader: Heavenly father - thank you.

**All: We have been blessed by you with so many gifts –
not so much because of what we did to deserve them –
but because you love each one of us so much.**

Class member: Today, as we gather together –

**All: In a community of faith, we want to show our sincere
appreciation for those that made it possible –
for us to attend CBC.**

Class member: We thank you most of all -

**All: For our parents who made many personal sacrifices –
so we could go to CBC –
And we thank you for our Christian Brothers –
the lay teachers, the coaches, and the military staff –
who taught and guided us.**

Class member: Let us never forget, Heavenly Father –

**All: The gifts others gave to us. Let our hearts always be
grateful for what we have received. And let us continue
offering the gift of a LaSallian education to others -
so that in the name of your son, Jesus –
the hearts and minds of future CBC Cadets –
can be instruments of your love and peace –
for their own families and friends.**

Prayer Leader and Class Member: We love you Lord Jesus –

**All: Each in our own unique way – and through the
intercession of our Most Holy Mother Mary –
as Brothers for Life - may we honor Our Father in heaven
– now and forever. Amen.**
