

Gary Hach's Grandson

Kudos to Gary Hach for sharing with us pictures of his grandson Cameron playing lacrosse at Benedictine college on a lacrosse scholarship. In the first picture, below, Gary is on the left, and Cameron on the right. If memory serves correctly, these days CBC has a lacrosse team.

Below Cameron is playing lacrosse for Benedictine Collage against Rockhurst U. He is number 17 in white and is a senior at Benedictine and is attending on a lacrosse scholarship. By the way, in our day this school was called St.Benedicts and lacrosse was only played on the East Coast.
