Fifteen Years of Progress

1940-1955

Again we meet for the Annual Father and Son banquet sponsored by the Fathers' Club of Christian Brothers College. This affair is now being regarded as one of the "high-lights" of the season in our city.

Each year we see a larger number of Fathers and Sons coming to this banquet to show publicly their interest in and esteem for each other. It is in meetings such as this that the importance of a well knit Catholic family life is emphasized.

All credit for the success of this affair is due to the unselfish work of the past committees and of the present one. Also the wonderful co-operation we received from Brother Conrad, the rest of the Brothers and the members of the lay faculty has helped to make this a real success. Lastly let me thank all the members of the Fathers' Club for enthusiasm and encouragement in this and the other affairs we have had this year.
